Deputy Commissioner of

Sir,

Re Turmalachar

I have already informed you demi-official of the result of Turmalachar's appeal and of our application for a revision of the finding and Enhancement of the Sentence in Tumkúr Sessions Case No. 22 of 1879.

2. On Monday last after hearing Mr. P B. Gordon and myself, Mr. Sandford directed the Sessions Judge to proceed with the Enquiry of the remaining Charges against the accused which had been suspended, or such of them as may be put forward by the Public Prosecutor. Today upon a motion made by me, Mr. Thumboochetty fixed Friday the 9th Proximo for the trial of the remaining Charges at the next Tumkúr Sessions.

A Copy of the order is sent herewith.

3. In accordance with para 2 of my demi-official letter to you, dated the 23rd September last, it will now be necessary for you to arrange for my remuneration for prosecuting the remaining charges, or such of them, as you may deem proper. I think a fee of Rupees one thousand and five hundred would, under the circumstances, be a fair one, as we may take it for granted that Tirmalachad and his friends will make strenuous efforts to render the further prosecution a failure. I should like to have this matter settled at your earliest convenience as I must arrange for my work here accordingly.

I beg to submit herewith my Bill for the work already done by me shewing Rs due to me and shall feel obliged by your Either Countersigning the Bill and returning it to me for payment here at the Chief Comm's Treasury, or Sending me an order for the amount yourself.

I have &c

Signed E. Sidney Smith
Advocate.

Dept Commissioners Office

Tumkur, 26th December
1879

To,

The Secretary to the Chief
Commissioner of Mysore
General department.

Sir,

In continuation of my Letter No. 193 of the 15th Instant, regarding the trial of remaining Charges against Timmalachari late Amildar of the Kunigal Taluk, I have the honor to report — that the 9th January 1880 has been fixed for such trial. Mr. Sidney Smith the public prosecutor in the case has consented to accept a fee of 1000 Rupees if the trial takes place at Tumkur and Rupees 750/- if at Bangalore. —

2. — I have instructed Mr. Smith not to oppose any application which may be presented to the Sessions Judge by the accused for the hearing of the case at Bangalore, and I beg that the fee above named which appears reasonable may be sanctioned. The remaining Charges are rather intricate involving the examination of numerous Accounts and the trial must —

must occupy (6) several days, and these are the reasons which induce me to regard a fee of Rupees 1000/- for Tumkur or Rupees 750/- for Bangalore as reasonable. —

I have the honor to be,

Sir,

Your most obedient Servant.

K Shivaram Iyer

Dy. Commissioner.

Tumkur.
